

HOW TO SET UP YOUR MULTILINGUAL IDX PROPERTY SEARCH TOOL

The International MLS and Global Real Estate Network

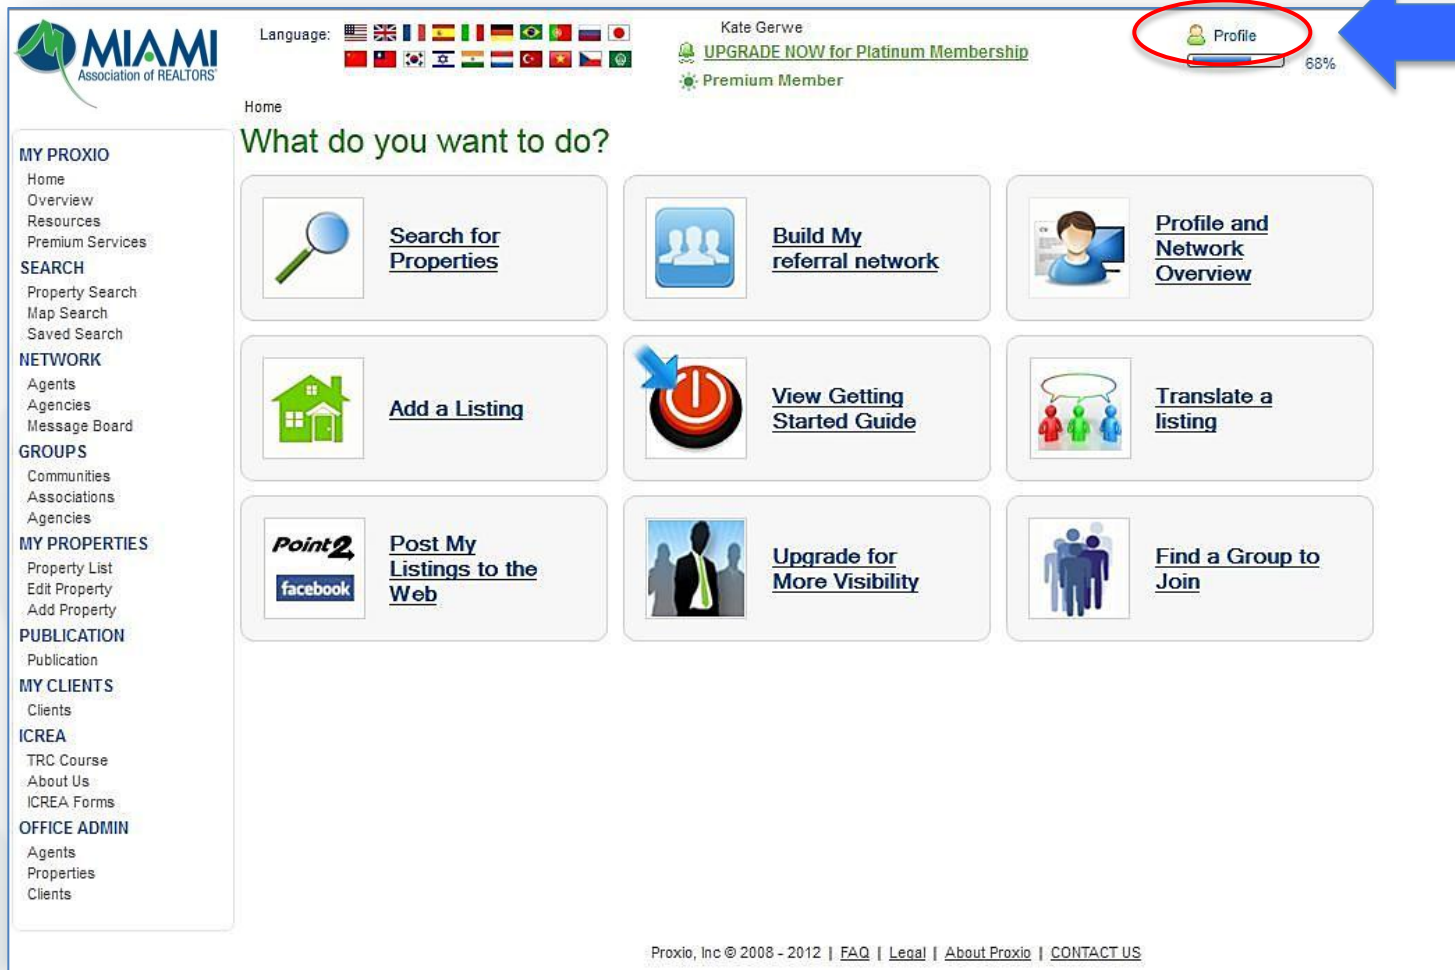

What is a Multilingual IDX Property Search Tool?

The Multilingual Property Search tool allows agents and consumers to search your listings, your network's listings and IDX listings in 19 languages...all from your personal website.

The screenshot displays a web interface for a multilingual property search tool. On the left, there is a sidebar with search filters: Country (USA (6)), Region (California (4)), City (San Mateo(1)), Post Code, Product (Any), Bedrooms (Any), Bathrooms (Any), and Price (USD). A search button is located at the bottom of the sidebar. The main content area shows a search result for a property at Industrial Way, San Mateo, California. The listing includes a photo of a two-story industrial building, a price tag of 3,500,000 USD, 10,000 Sq. ft, and the listing ID JC-C001. The text describes it as a commercial building for sale with a convenient location. A 'Learn More' button is provided. Below the listing is a map showing the location in San Mateo, California, with a yellow pin marking the property. The map includes street names like Marine Pkwy, El Camino Real, and Highway 101.

Setting Up Your Multilingual IDX Property Search Tool: Step 1

Go to your Profile page by clicking on the Profile link next to the icon of a person in a green shirt in the upper right-hand corner of the Home Page.

The screenshot shows the Proxio website interface. At the top right, the user's name 'Kate Gerwe' is displayed, along with a 'Premium Member' status and a '68%' progress indicator. A red circle highlights the 'Profile' link next to a person icon. A large blue arrow points from the right side of the page towards this 'Profile' link. The main content area is titled 'What do you want to do?' and features a grid of nine action buttons: 'Search for Properties', 'Build My referral network', 'Profile and Network Overview', 'Add a Listing', 'View Getting Started Guide', 'Translate a listing', 'Post My Listings to the Web', 'Upgrade for More Visibility', and 'Find a Group to Join'. The left sidebar contains navigation menus for 'MY PROXIO', 'SEARCH', 'NETWORK', 'GROUPS', 'MY PROPERTIES', 'PUBLICATION', 'MY CLIENTS', 'ICREA', and 'OFFICE ADMIN'. The footer includes the Proxio logo and copyright information: 'Proxio, Inc © 2008 - 2012 | FAQ | Legal | About Proxio | CONTACT US'.

Setting Up Your Multilingual IDX Property Search Tool : Step 2

Click on the Get Widget HTML link under the Personal Site Widget section of your Profile page.

The screenshot shows a user profile page for Oscar Donado, a Standard Member. The page is powered by Proxio and includes a sidebar with navigation links such as Home, Overview, Help, Resources, Premium Services, SEARCH, NETWORK, GROUPS, MY PROPERTIES, PUBLICATION, MY CLIENTS, and OFFICE ADMIN. The main content area is divided into several sections: Defaults (Country: USA, Currency: USD, Digit Grouping Symbol: 123 456, Date format: mmdyyyy, Dimension Unit: Square feet: ft2), Information (Membership Level: Standard, Direct Phone, Fax, 1st Language: English, 2nd: Spanish, 3rd: English, Designations, Affiliations, In business since: 2001, License Number), Personal Site Widget (Widget for Personal Site is enabled, Get Widget HTML link circled in red with a blue arrow pointing to it), Personal Website Setting (Choose your mini site Template: Professional, Choose your mini site URL: www.proxio.com/agent/, Property Display Default: All Listing), and Change Password (Old Password, New Password, Confirm New Password). A 'MORE Content' banner is visible at the bottom left.

Setting Up Your Multilingual IDX Property Search Tool : Step 3

Copy the HTML code in the pop-up box and send it to your webmaster for insertion in your personal website.

The screenshot displays the Proxio user interface for Oscar Donado, a Standard Member. A blue arrow points to a pop-up box containing the following HTML code:

```
<!--START of Flags DIV with contained CSS styles and Javascript inline--> <div class="slide-out-div" style="padding: 0px; width: 360px; height: 143px; border-left: 1px solid #FFF; border-top: 1px solid #FFF; border-right: 1px solid #FFF; border-bottom: 1px solid #FFF; background: #f5f5f5;" > <a href="http://link-for-non-js-users.html" style="outline: 0; border: 0;" class="handle" ></a> <script src="http://ajax.googleapis.com/ajax/libs/jquery/1.3/jquery.min.js" type="text/javascript"></script> <script src="http://www.proxiopro.com/ProxioWidget/PropertySearchWidget/scripts/query-tabSlideOut.js" type="text/javascript"></script> <script src="http://www.proxiopro.com/ProxioWidget/PropertySearchWidget/scripts/PropertyWidget.js" type="text/javascript"></script> <script type="text/javascript"> InitializeSlideOutControl(); </script> <script type="text/javascript" src="http://www.proxiopro.com/ProxioWidget/PropertySearchWidget/Scripts/CrossdomainLoginHandler.js"></script> </div>
```

The interface also shows various settings for the widget, including currency (USD), date format (mmddyyyy), and a "Get Widget HTML" button. The "Personal Website Settings" section includes options for the mini site template (Standard or Professional) and the mini site URL (www.proxiopro.com/agent/). The "Change Password" section has fields for Old Password, New Password, and Confirm New Password.

Setting Up Your Multilingual IDX Property Search Tool : Step 4

Your Multilingual IDX Property Search Tool will appear as a tab on your website, making it simple to place anywhere without reconfiguring the layout. When clicked, the tab pulls out to reveal the multilingual IDX property search tool.

The image displays two screenshots of the Proxio property search tool. The left screenshot shows the search interface with a header "Search for properties in your own language" and a grid of 19 language flags. Below the flags are search filters for Country (USA (6)), Region (--Select--), City, Post Code, Product (Any), Bedrooms (Any), Bathrooms (Any), and Price (USD). A blue arrow points from the language selection area to the right screenshot. The right screenshot shows the search results for "Properties(1)" in English. The filters are set to Country: USA (6), Region: California (4), City: San Mateo(1), and Post Code. The results list a property: "Industrial Way, San Mateo, California" for 3,500,000 USD, 10,000 Sq.ft, with a "Learn More" button. A map at the bottom shows the location in San Mateo, California.

With your Multilingual IDX Property Search Tool:

- Visitors can search your listings, your network's listings and IDX listings in 19 languages and 30 currencies
- And, you capture the leads
